Upcoming study of the Old Testament starts on the 16<sup>th</sup> of August after a holiday:

### **People of the Promise: Kingdom Divided (view video introduction [here](#))**

Good and evil kings. Passionate prophets. Prophecies that shape our modern age. The Old Testament is full of theologically rich books that both recount and shape history. They also set the stage for the long-awaited Messiah, containing more than 300 prophecies covering His birth, life, death, and resurrection.

*People of the Promise: Kingdom Divided* will unpack a fascinating period in Israel's history across 15 books, from its split into two nations, through dozens of kings and prophets and ultimately to the heartbreaking exile into Babylon.

Jesus loved the Old Testament. And you will too.

Explore 15 of the books Jesus deeply loved in community, discussing questions around the goodness of God amidst calamity, mercy, ultimate allegiance, judgment, and salvation. Join others in finding answers and how they apply to your own life.

We can't wait to see you!!
