

The Bible teaches that we have a responsibility to feed those who are truly hungry and can't provide for themselves. But let's face it; there are some folks who would rather go hungry than go to work. *'The desire of the lazy man kills him, for his hands refuse to labour'* (Proverbs 21:25). There are no two ways about it; if you want God's blessing on your life, you have to be willing to work!

**'For where envying and strife is, there is confusion and every evil work.'**  
**James 3:16** Strife wreaks havoc in relationships. It often stems from an inflated ego and leads to comparing, competing, and condemning. If you want to walk in God's blessing today, try to live in harmony with others. Is that always easy? No, but the sooner you learn to do it, the better things will go for you.
